

HEATING ELEMENT MAINTENANCE RECORD

Furnace ID: _____
 Temperature: _____
 Atmosphere: _____
 Number of Elements in Furnace _____
 Number of Spares _____

Sketch of heating element layout

Starbar heating element order information:
 Type: ● RR ● U ● SE ● SER ● TW
 Outside Diameter: _____
 Heated Length: _____
 Overall Length: _____
 Nominal Resistance when new: _____ Ω

Date	Element Location	Amps written On element	Measured Voltage E	Measured Amperage I	Computed Resistance E/I	Computed Watts E x I	Notes

Date	Element Location	Amps written On element	Measured Voltage E	Measured Amperage I	Computed Resistance E/I	Computed Watts E x I	Notes:
